

ROTARY 2020  
\*50 POINT\* PROGRAM

**With Clear Vision and A Goal in Sight We’re Creating Resilient, Sustainable Communities - At Home, At Work, At School - Through Rotary Leadership.**

Point	Money-Saving Action Items (Easy, Intermediate, Advanced, Professional)	Cost	Level	ROI	Your Score
5	Upgrade to Energy Efficient LED Lighting	\$2.50/ea	Easy	6-12/mo	
5	Install Programmable Thermostat (Check for “Rush Hour” Rebate)	\$30 - \$100	Int.	6m-2/yr	
3	Install ENERGY STAR Refrigerator				
5	Install Built-In Recycling Center				
3	Install Built-in Composting Center				
2	Change HVAC Filter	\$3-\$10	Easy	1-6/mo	
3	Indoor Air Quality Analysis				
3	Install Dimmers or Occupancy Sensors				
5	Install Exterior Photocells or Motion Sensors				
5	Shielded Exterior Light; Direct Light Downward				
5	Install Whole House Ventilation System 4 Cooling				
8	Install High Efficiency AC with Environmentally Responsible Refrigerants				
50	Offset Energy Use w/ Solar PV, Solar Thermal <i>One point for each 2% saved, up to 50 points.</i>				
5	Insulate, Tune Up, or Upgrade Your Water Heater				
3	Insulate All Hot Water Pipes				
3	Caulk Building Envelope Leaks	\$20 - \$200	Easy	1-2/yr	
3	Seal HVAC Duct Leaks	\$10-\$50	Int.	3-6/mo	
3	Weatherstrip Doors and Windows	\$5-20/per	Easy	3/mo - 2/yr	
2	Tune Up HVAC System	\$100-\$300	Prof.	1-3/yr	
3-5	Install Ceiling (R-30/ 3pt), Floor (R-19; 3pt) and Blown-in Wall Insulation (R-15; 5pt) or to CODE.	\$.30- \$.50/SF	Easy	2-5/yr	
10	Window Replacement	\$300-\$800/p	Prof.		
5	HVAC Replacement to High Efficiency.	\$5K - \$10K	Prof.	10 - 20/yr	
8	Retrofit Wood Burning Fireplace to Gas				
10	Cool Roof: High solar reflectivity and high infrared emissivity.				
5	Use Environmentally Preferable Materials Low/No VOC Paint. (50% + Certified Wood; Reclaimed Materials; Rapidly Renewable, Recycled-Content.				
3	Replace Toilets W/ High-Efficiency Toilet (1.3 gpf)				
3	Install Water Efficient Showerhead or Shower Towers (2 gmp)				
3	Install Water Efficient Bathroom Faucets				
3	Install Water Efficient Kitchen & Utility Faucets				
3	Install Water and Energy Efficient Dishwasher				
3	Install Water & Energy Efficient Washing Machine				
10	Install An Indoor GREY Water System (Per Unit)				
3	Plant Trees for Sun and Wind Screen - 50% of plants should be drought tolerant.	\$30 - \$100/per	Easy	5-15/yr	
5	High Efficiency Irrigation System				
50	Collect and Retain Rainwater for Irrigation - 2 points for each 350 gallons.				
	YOUR TOTAL SCORE =				

YOUR NAME (Print): \_\_\_\_\_  
PLEASE SIGN & RETURN THIS FORM TO YOUR ROTARY CLUB - Count your existing points and add NEW ones to reach 50-points (or more). Your name will be included on our ROTARY 2020 Roll Call list when you reach 50+ points.

Founding ROTARIANS: Marc Whitman (Ojai Rotary), Reggie Wood (Ojai West), Alexia Parks (Boulder Rotary), & Dave Intner. LINKS:
